

APPENDIX IILLUSTRATIVE LIST OF ITEMS RECOMMENDED FOR U. S. UNILATERAL CONTROL

<u>Item Number</u>	<u>Short Title</u>
1070	Forging Hammers (residual)
1150	Oil well drilling and exploration equipment (residual)
1118	Batch-type nitrators with capacity of 125 Imperial gallons or more (residual)
2129	Pumps as defined
1380	Compressors and blowers, n.e.s., capable of delivering air, gases, vapors, at pressures of 700 psi or over and requiring a drive rated 2,000 hp or over (residual)
1401	Floating docks
1405	Icebreakers of 2,000 shaft hp to 10,000 shaft hp and similar vessels, regardless of tonnage, principally designed for breaking ice (residual)
1417	Ships as follows: (a) Ships designed to carry 200 or more passengers, (b) Whale catchers, (c) Merchant vessels under 20 knots (residual)
2401	Dredges
2405	Icebreakers under 2,000 shaft hp
2416	Fishing vessels and hulls therefore with length between perpendiculars over 50 feet
3416	Fishing vessels
1520	Radio relay communications ^{Equipment} (residual)
1525	Coaxial Cable (residual)
1537	Electromagnetic waveguides (residual)

- 2 -

<u>Item Number</u>	<u>Short Title</u>
1544	Crystal Diodes (residual)
1549	Photomultiplier tubes (residual)
1635	Special alloys (residual)
1636 a	Aluminum hard alloys for aircraft
1658	Molybdenum ores and scrap (residual)
1661	Nickel, all forms, n.e.s. (residual)
2636	Nickel-bearing alloy steels
2671	Titanium carbide
4619	Steel blooms, slabs, etc., specially prepared for the production of shells and projectiles
4654	Steel products, n.e.s.
1702 }	Hydraulic fluids - diester types (residual)
1702 }	Hydraulic fluids, n.e.s. (residual)
1720	Dinitrotoluene
1731	Hydrazine salts except hydrazine nitrate (residual)
1738	Methyl methacrylate
1744	Pentaerythritol (residual)
3750	Polyethylene with molecular weight above 10,000 (residual)
3764	Toluene
New Item	Jet fuels
1774	Kerosene
1780	Petroleum based tubes (except for servicing of East-West and West-East flights)

- 3 -

Item Number

Short Title

1786

Additives for lubes and greases

1788

Tetraethyl lead (TEL)
